Best Western Cambridge Quay Mill Hotel

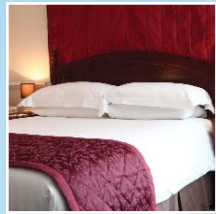

In the heart of the East of England, three miles from the centre of Cambridge and set in 11 acres of meadowland, Cambridge Quay Mill is a classic English country hotel.

Over the last ten years the former Watermill and Miller's House have been transformed into a modern hotel which offers a wealth of attractions and still retains many original features which confirm its Grade II listing.

Cambridge Quay Mill is a luxurious base from which to explore the sights of the University City of Cambridge, Ely and Newmarket and beyond into East Anglia and London. Guests enjoy the benefits of our superb Health Club, with its 12 metre indoor pool, state of the art fitness studio, steam room and spa baths.

Our 50 bedrooms, all with en suite facilities, and our cosy Mill House Restaurant and bars combine to create an environment which is informal, relaxing and pampering.

We look forward to welcoming you.
